

## Sermons from the Valley: Volume 2

Through these sermons, Father Peter Bowes explores the virtues each of us has inside, but have long since buried. There is beauty and there is pain as we endeavor to live as the divine beings we were created to be. These sermons convey the love and courage it takes to know the truth about ourselves and about God, by teaching us to let go of our past and move toward what Jesus and Mary want for us. Father Peters candor, humor and tenderness will open you to new depths. The richness of Gods word will reach you through the words of this accomplished and beloved Master Teacher.
