

Short-Term Trading in the New Stock Market

In an uncertain market, can traders and investors find profits in short-term stock movements? Bestselling author and trader Toni Turner teaches readers the techniques and strategies needed to trade in today's up-and-down stock market. The book begins with Seven Steps to Trading Success, which outlines the logistics needed to establish a trading career. In an upbeat, clear, and lively style, Short-Term Trading for the New Stock Market covers:

- *The Seven Steps to Trading Success*
- What the new stock market looks like
- *How to lower risks and increase gains*
- How to formulate your own trading business plan
- How to analyze market cycles and find profit opportunities
- *Key Charting fundamentals that reveal buy and sell signals using Trends and Trendlines, Candlesticks, Volume, Momentum Indicators, and other tools for success*
- Swing Trading, Position Trading, and Selling Short
- *Introduction to E-mini trading and Forex markets*
- Center Points to find balance and calm in a fast-moving market

Short-Term Trading for the New Stock Market is an essential guide for every money-minded trader.
