

Spider-Man: I Am Spider-Man (Festival Readers)

I used to be Peter Parker ... Now, I am Spider-Man! Everything changed for Peter Parker after a genetically altered spider bit him. He used to be a scrawny high-school student who struggled to defend himself against the bigger, stronger guys in his school. He doesn't have to struggle anymore. With his new spider-like abilities, Peter can spin webs, climb buildings, and sense danger before it happens. Peter can do everything a spider can do, and more. Find out what it's like to be a superhero along with Peter as he adjusts to his new life as Spider-Man.
