

Twas the Day Before Zoo Day

This delightful adaptation of the childrens classic, Twas the Night Before Christmas, takes readers to the zoo, as preparations are under way for Zoo Day. But things aren't going according to plan . . . The llamas won't quit spitting, the giraffes are drooling, and the zebras aren't happy at all with their stripes. Meanwhile, the zoo keepers are scurrying this way and that, cleaning up poop, ringing mealtime bells, and trying to get the animals bathed. But are the naughty elephants listening? Not a chance. And if that weren't bad enough, a poor alligator mistakes a bee for a fly, and instead of eating supper, he gets stung in the eye! Does it all work out? Will the zoo keepers end up spending the night at the zoo? Will Zoo Day go off without a hitch, or will the dancing monkeys take over?
