

Bud Barkin, Private Eye (Tales From the House of Bunnacula Book 5)

Dear Reader, The guy who usually writes these letters asked me to do it instead. Maybe he was having a bad writing day. Maybe he wanted me to play the sap for him. Or maybe he ran into Trouble with a capital T. Well, Troubles in my business. Im a dog. Im a detective. The names Bud Barkin. And this book is about the case I had involving a dame named Delilah Gorbish, whom I would call Trouble with a capital T except Ive used that metaphor already, and the clown named Crusty Carmady whose calling card is a teakettle that he heaves through windows. Nice pair of birds. The mystery deepens with another character called the Big Fish, who isnt really a fish and whos addicted to the Home Shopping Network. Hey, I dont write emI just solve em. Yours truly, Bud Barkin, P.E.
