

Teddys Adventure

Teddys Adventure is an intriguing recollection of a cute and cuddly hamsters weekend escape from his cage. His latch door was left unlocked and clever little Teddy took the opportunity to explore the classroom. When the students found out about his disappearance, a school wide search began. Would Teddy return to his home or would he be lost forever? Teddy explores inside and outside of Room A-211. His eyes are opened up to a new and exciting world. Find out if Teddy returns safely and see where his travels took him.
