

Tell Me a Cuento/Cuentame UN Story

Have you ever met people who think their dog is sooo wonderful? They talk about little Princess or Fido ALL the time. You wonder if they secretly think their dog is...a kid! Well, if you think theyre weird, you havent met Mr. and Mrs. McVitie. The McVities love their dog Judy so much, they long ago forgot that shes not human. They let her sleep between them in the bed, they sew little outfits for her, they take her photo at every opportunity. One day, they dress her up and send her to kindergarten. The McVities even have a birthday party for Judy and invite all the kids and their parents. Are the McVities out of their minds? the parents wonder. Do these people think this dog is a kid? At the party, they soon find out exactly what the McVities thinkand its even worse than they imagined: the McVities want Judy to blow out the candles! Judy saves the day with a birthday wish that changes their lives forever, and finally helps the McVities face reality. (Well, sort of). Simon Black teaches in the English department at Cal State LA.
