

Tick Tock Telling Time: Time to the Hour and Half Hour

Do you remember the rhyme Hickory Dickory Dock and the cute little mouse who went up the clock? Well she's back to help children learn how to tell time. Children will enjoy learning to tell time to the hour and the half-hour as the little mouse takes them around to some of her favorite clocks. At the end of the book you will find additional activities that you can do to enrich their telling time skills.
