

The Big O: How to Have Them, Give Them, and Keep Them Coming

After the enormous success of sexpert Lou Pagets his and hers sex guides, here is one for couples. The Big O is a hot little handbook devoted exclusively to orgasms. In her frank (but tasteful) style, Paget gives us the nitty-gritty on this much talked about, but often mysterious topic. From anatomy to emotional health, The Big O addresses the numerous concerns voiced by the many thousands who have attended Pagets sexuality seminars: The various types of orgasms - and how to achieve them* Exercises to increase your bodys sensitivity* Orgasm obstacles, such as medications or alcohol* Tried and trusted positions, and how to choose whats right for you* The spiritual side of orgasms* Historical facts* And much more.
