

The Dog with Golden Eyes

Many girls dream of having a beautiful dog of their own, but Cassie's wish for one takes an unexpected turn in a surprising, fascinating contemporary tale of friendship and growing up. Thirteen-year-old Cassie lives with her mom, a waitress, who is often at work when Cassie is at home. Lonely, bored, and feeling friendless, Cassie is thrilled when a large, beautiful dog appears one day in her suburban backyard. Determined to take care of her new friend, Cassie hides the dog and even gets a part-time job to pay for the seemingly endless amount of food that Toklata consumes. When Cassie's research into her new charge leads her to believe that she is, in fact, caring for a full-grown Arctic wolf, she tries to find a way to protect Toklata from harm while covering her own actions. But wolves, she learns, cannot be treated like pets, and in respecting the essential wildness of Toklata, Cassie learns that she too has resources and strengths that she never knew she had. Filled with meticulous detail about wolves and animal behavior, *The Dog with Golden Eyes* will be fondly enjoyed by lovers of both animals and adventure.
