

Becoming Royalty: Book One of the Enchanted Cloak Series

Elizabeth is orphaned at a young age and is raised by a kind sorceress. Unknown to Elizabeth, she is the rightful heir to the Kingdom of Challon. When Challons beloved King Christof dies of old age, the kingdom is taken over by the evil regent Simon, who has plans to expand his empire at all costs. As events unfold, Elizabeth is made aware of her destiny. She learns that the cloak she has worn since birth is an enchanted cloak that not only has protective powers, but also mysterious qualities that identify her as a royal heir. Can Elizabeth stop Simon before it is too late? Will she find true love along the way? Travel across the land with Elizabeth as she attempts to claim her birthright.
