

The Haunted Opera: A Marie-Grace Mystery (American Girl Mysteries)

Marie-Grace is excited that a well-known English opera company will perform in New Orleans--at the same theater where she takes singing lessons from Aunt Oceane. Even better, her aunt has gotten a role in the opera! As Marie-Grace and her friend, Cecile, help out during rehearsals, they're thrilled to meet real opera stars and get a peek into theater life. But thrills turn to chills as the girls make disturbing discoveries behind the scenes! An illustrated Looking Back essay describes New Orleans place as a leading cultural center for opera and theater in 1800s America.
