

## The Baseball Book: A Young Players Guide to Baseball

Major league help for anyone learning -- or coaching -- the game. Millions call baseball the greatest game on earth and the national pastime. But perfecting the art of playing it takes time, patience, and lots of practice. In *The Baseball Book*, Kevin Briand covers everything kids need to know to play and practice America's favorite sport. *The Baseball Book* features: Proper techniques in all the important skill areas, infielding and outfielding, pitching and catching, hitting and baserunning. Step-by-step photography and clear, concise text for all techniques. Team drills. Tips on warming up and stretching. Information on selecting the right equipment. A short history of the game, glossary of baseball terms, and contact information for baseball leagues and associations. A perfect introduction to a timeless game, *The Baseball Book* will help baseball beginners become baseball players.
