

# The Incurrigible Children of Ashton Place: Book IV: The Interrupted Tale

For fans of Lemony Snicket's Series of Unfortunate Events and Trenton Lee Stewart's Mysterious Benedict Society comes the fourth book in the Incurrigible Children of Ashton Place, the acclaimed and hilarious Victorian mystery series by Maryrose Wood. In *The Interrupted Tale*, Miss Penelope Lumley receives an invitation to speak at the annual Celebrate Alumnae Knowledge Exposition (or CAKE) at the Swanburne Academy for Poor Bright Females. Optomuchstic as ever, Penelope hopes to give her CAKE talk, see some old friends, and show off the Incurrigible children to Miss Mortimer, but instead she finds her beloved school in an uproar. And when Penelope is asked by the Swanburne Academy board of trustees to demonstrate the academic progress of her three wolfish students so the board can judge the true worth of a Swanburne education, the future of her alma mater and of her job as governess to the Incurrigibles hangs in the balance.
