

Little Clearing in the Woods (Little House: the Brookfield Years)

Meet Caroline Quiner, the little girl who would grow up to be Laura Ingalls Wilders mother. Caroline and her family are leaving the little town of Brookfield and moving to a new house in a clearing among the big trees of Concord, Wisconsin. As the Quiners travel through the dense forest, Caroline is excited, but she is also a little bit afraid. Will she like her new home in Concord as much as her little house in Brookfield? Little Clearing in the Woods is the third book in The Caroline Years, an ongoing series about another spirited girl from America's most beloved pioneer family.
