

## The Nativity Story

Bestselling author Angela Hunt, who most recently wrote *Magdalene*, a historical fiction novel of the story of Mary Magdalene that was tied to *The Da Vinci Code*, now focuses on Mary, the mother of Jesus. She has adapted the screenplay for *The Nativity Story* into a powerful historical novel. Her moving novelization of this film tells the extraordinary tale of two common people, Mary and Joseph, a miraculous pregnancy, an arduous journey, and the history-defining birth of Jesus. Brought to life with an unprecedented attention to detail and commitment to historical accuracy, Hunt tells how from humble beginnings great things can come.
