

## Box Girl

Gwen Bainbridges mother ran away five years ago. Now Gwen is receiving postcards from her that promise a reunion postcards with French stamps and no return address. Every night, Gwen pulls the cards from their hiding spot and chants a spell that will take her to her mother. Gwen is lonely, but she knows she cant really trust anyone not since her so-called best friend Anisha turned on her during the summer. At least, thats what she thinks until she meets Clara. Despite herself, Gwen feels drawn to Clara, who is a breath of fresh air in a school full of posers. But how is Gwen supposed to invite a girl like Clara home for dinner with her dad and Leon, her dads boyfriend? Gwen discovers that true friendship is a two-way street. It means being there for Clara, too, and taking the risks involved in opening her heart to another person.
