

Our Deadly Sins

The citizens of Thorton have indoctrinated themselves with sin to the point of being unaware of everyones disobedience and neglect of Gods word. Until one of the citizens was discovered mutilated, with a note pinned to his chest announcing his trespass against God, which was signed by the killer, who called himself, The Purifier. Over the next few weeks, a multitude of mutilated bodies appeared throughout town, with their sins proclaimed for everyone to acknowledge. With each body, a note was left, with the Purifiers signature, as a warning to everyone to stop their sinful behavior. Sam James, who had been Thortons Police Chief for the past twenty-years, and with the help of Johnny Pew, his trusted officer, had the unwavering task of finding the murderer, the Purifier, as well as quieting the fears of the townspeople.
