

The Song of Solomon Love Triangle: Gods Soulmating & Lovemaking Guide for a Lifetime of Passionate Sex plus Solomons Siren Song & Staceys Story--A Sexless Marriage (Marriage: A Taste of Heaven)

Experience the intensity of The Song of Solomon Love Triangle through fictional vignettes alongside a verse-by-verse modern enhancement that preserves the integrity of the Scriptures. The Song of Solomon reveals King Solomons words of seduction, his fascination with virgin breasts, and his 140 wives at the time of the Song of Solomon. Over a 40-year reign, he would swell the number to 1000 of the most beautiful women in the known world including princesses, peasants, and slaves. He averaged deflowering 25 virgins per year. The true story takes us inside the mind of a young vineyard keeper who wins the lottery when the King invites her to join his harem. That means unlimited wealth and luxury for herself and her mother and brothers. How can she say, Let me think about it? Where does she get the audacity to compare the Kings sensuous-love proposal to her Shepherd boyfriends true-love offer? How can a girl be so dumb? Or is she? If ever a man was born to test earthly love and pleasure--Solomon was that man. He brags in Ecclesiastes that he denied himself no mental or physical delight known to man. Patsy Rae Dawson explores the Jewish world of essential oils to expose how King Solomons virgins in waiting bathe the young Shulammitte maiden in the aphrodisiac spikenard. Only his plan backfires. Yet her Shepherd boyfriend says shes better than balsam--known for making men dizzy with lust. And commentators assert the Song of Solomon has no plot....Now I finally understand the Song of Solomon! is the most common remark readers make. Solomons Siren Song: These fictional vignettes begin each of the Song of Solomon story chapters. They give snippets of the backstory a movie director might add to a production. Youll enjoy these glimpses into the era in which the Shulammitte maiden lived and loved. They also answer many of the questions readers

have about how Solomon could have lived with so many wives. Staceys Story: A Sexless Marriage is the emails of a young wife who contacted Patsy in 2007 for help with her husband Joe who didnt show much interest in having sex with her. Trying to survive a sexless marriage is the number-one complaint Patsy gets from both husbands and wives. Sexless marriage is also the number-one problem people search for the Internet for help on. Read the Table of Contents to see the titles of Staceys emails as they are interspersed with the verse-by-verse chapters of the Song of Solomon. The Song of Solomon Love Triangle will open your eyes to the core issues in sexless marriages and dead bedrooms so you can move forward. It also exposes the harm done to the children when one parent doesnt know how to love the other intellectually, emotionally, and sexually. God does not trap anyone in loveless marriages. God has patiently taught for over 3000 years in the Song of Solomon the secret of the brain, essential oils, and the five senses in the role of true love. But science only began to understand the brains impact in 1985. Even in the new millennium, science still lags far behind Gods wisdom and love in the Song of Solomon. Patsy deals with the hard topics from the Song of Solomon: sexless marriages vaginal versus clitoral orgasms self-masturbation feminine wet dreams oral sex or blow jobs intimacy anorexia Viagra and Addy is sexual addiction and more... Your Love Life Will Never Be the Same!
