

Gospel Gospel: An Expanded Biography

Our gospels relate the story of a Jesus who was born and then circumcised on the eighth day. Then he vanishes, reappearing at the age of 13 for his first Jerusalem Passover. Here he confounds the elders in the temple while terrifying his parents who fear him lost. He then disappears for an even longer time, reemerging for his baptism and the selection of his team. What happened in the intervening years? This book fills in the gaps, year by year. This expanded biography will hold you spellbound as you discover in detail the matchless personality and loving character of God incarnated as man, the combined human and divine natures of Jesus of Nazareth.
