

The Ultimate Guide to Solo Sex

Masturbation is a many-splendored thing, but even here, all of us can get into a comfortable rut. Take what can be really good to really great with Jenny Blocks guide to getting in on with yourself. Whether you are happily coupled, on your own, poly, or demonstrating your solo skills for your lover(s), Block has the very best advice on how to pleasure yourself masterfully and share the love. Replete with thorough research, Blocks book covers the science of sex, wild and wonderful ideas for upping the masturbation ante, and lots of suggestions for how to incorporate toys. There are only one or two truly good books on the market about sex for one, and those are years and even decades old. The Ultimate Guide to Solo Sex makes its entry as an instant classic that shows readers how to go from mundane to mind-blowing
