

The Wisdom Tree

Encourage your child to embrace his or her uniqueness and learn to embrace the qualities that build a confident character. Develop your child's confidence, self-esteem, and inner strength. Learn faith-based principles to enrich your child's life in believing just like the wisdom tree, that who we are is not depicted in the eyes of another, but rather our differences are enlightened by the wisdom that we know and believe of ourselves. Teach your child the importance in individuality and refraining from the need to belong. Children need to find the value in themselves and adapt the lessons from the wisdom tree. This book simply evolves from a story of faith into finding that we all need to find that who we are is who God has destined us to become. Promote positive values in your child now to face living in this world. The Wisdom Tree is a fun read anytime with the whole family before bedtime or as a self-read for older children. Teachers Educators will find this a valuable resource for teaching these core values to individual students and entire classes. Enrich your child's life. Get your copy of The Wisdom Tree today!!!
