

Theseus and the Minotaur (Ancient Myths (Picture Window Books))

Young readers will love these timeless tales of heroism, gods and monsters. Every nine years, the Athenians have to send a sacrifice of seven young men and women to Crete. These victims meet a gruesome end in the jaws of the Minotaur. Only Theseus can end this cycle, but he will need the help of a princess, a famous craftsman and a ball of thread. Will he survive? The humorous cartoon-style illustrations and the narrative approach encourage readers to get emotionally involved with the characters. Ask the storyteller boxes give peripheral details about the narrative and the characters involved. The book features an introduction to Greek storytelling, a glossary and index, as well as Whos who section with a pronunciation guide. It supports Key Stage 2 History and English and helps achieve the Scottish Standard Curriculum 5-14.
