

Three Essays on the Theory of Sexuality

2011 Reprint of 1949. Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Three Essays on the Theory of Sexuality was originally published by Freud in 1905 and reedited by him over the course of his life. The edition reprinted is the 1949 London Edition translated by James Strachey. In this work Freud advanced his theory of sexuality, in particular its relation to childhood. The three essays are The Sexual Aberrations, Infantile Sexuality and The Transformation of Puberty. In its final version, the Three Essays also included the concepts of penis envy, castration anxiety, and the Oedipus complex.
