

The Whaaa..t? Frog: Are All Frogs Real? (The Whaaaa....t? books Book 1)

This is a fun picture book game for pre-schoolers to kindergarten. Parents and children can look at pictures of frogs and guess whether the frog on the page is doing something that is or isn't real for a frog. If what the frog is doing isn't real, the big green frog says Whaaa..t? The idea is for the children to see if they get the right answer before they see if the big frog asks Whaaaat? .
