

Winds Day

Have you ever... Wanted to get even with the school bully or with the most stuck-up snob? Felt sorry for the smallest kid in the class or for the girl who was always ignored? Been annoyed by the boy who drove the teacher crazy, by the girl who wouldnt let you get a word in edgewise, or by the brain who thought that he knew everything? Well, you arent alone. One seemingly normal day at Acer Elementary takes a weird turn when a wild wind starts to blow. Suddenly, some really crazy and hilarious changes begin to happen to seven fifth grade students who finally get what they deserve. For sure, this Winds Day will be like no other Wednesday that you or they have ever seen!
