

Unveiled The Secret Submissive Within

This is an in-depth, comprehensive guide for submissives new to the lifestyle and for those just wanting to broaden their knowledge more. It starts with what a submissive is, moves to common terms in BdsM, contracts, continues on to possible punishments, what to look for in a Dominant, and ends with a very thorough Limits Worksheet in the back. There are many more topics covered, but you will have to read further to discover them.
