

Corn Ethanol: Who Pays? Who Benefits? (Hoover Institution Press Publication)

The author documents the political history of federal corn ethanol policy, showing how it has evolved from 1977 through 2008. He then offers an in-depth, fact-based look at the major assertions made by the advocates of the policy, providing the results of an evaluation of the claims made by the architects of the Renewal Fuels Standard in 2005 during its consideration by Congress.
