

The Theft & the Miracle

On a cold, rainy day, ordinary Hannah Price stumbles into the cathedral and does something extraordinary almost in a trance, she makes a perfect drawing of an antique carving of the Virgin and Child, capturing their every detail. The next day the statue of the Child is taken from the Virgins arms, and a few days later Hannah is interviewed by the police. Soon, strange things start happening to her. An odd man keeps appearing. The portrait she painted of her best friend, Sam, is vandalized. Is it all related to the theft? Hannah is determined to find the statue, even if it will take a miracle. Rebecca Wade has crafted a thriller that will puzzle and provoke every reader until its stunning conclusion.
