

Warriors: Warriors Refuge (Warriors Manga)

Graystripe and Millies journey to find ThunderClan has only just begun when the pair is faced with a series of obstacles that seem insurmountable. Getting out of Twolegplace alive isnt nearly as simple as expected, and Millies unfamiliarity with life in the wild makes it a challenge for Graystripe to keep them both moving forward. But just when a temporary refuge is in sight, conflict with a tribe of barn cats threatens to break the travelers apart for good!
