

The beginning of the end: The last disaster of the 20th century

from the back cover: The penetrating analysis of *The Beginning of the End* shows startling evidence that is completely at odds with almost everything you see and hear from the mainstream media. Justin Ford blows holes in the media myths behind the new Paradigm mania. But more than that, for 60 years his team have racked up an impressive record of predicting trends -- both political and economic - and showing investors how to protect themselves and prosper.
