

Babies Dont Bite

An ideal counting book for all children expecting new siblings. Young readers will love to count from one to 10 with Hegley the pony as he discovers adorable farmyard babies just waiting for fun. Hegley is excited to hear that his mother is expecting a baby, until his farmyard friends tell him that babies pull tails and bite. But Hegley soon realizes the best thing of all about babies: they love big brothers and sisters to bits. Bestselling author David Bedford perfectly captures the anticipation and worries of a new baby in his warm style.
