

## Look Look a Bear with a Book

When a brother and sister find themselves stuck inside on a rainy day with nothing to do, a knock sounds at the front door. When they open it, a grinning bear stands there with a book in hand. Little do they know they are about to set off on an adventure to playful oceans, wild jungles, and even outer space. From award-winning author, Thal Dixon, comes a story that shows children how magical reading can be.
