

## Wibbly Pig opens his presents

Wibbly Pig is a very cute, very pink, very young pig waiting to bring toddlers along on his adventures. Wibbly Pig builds towers and tents, opens presents, chooses his favorite foods and toys, and eats ice cream on the beach. With simple text and appealing illustrations, Mick Inkpen creates books perfectly targeted for very young children who are too young to read on their own. The large format makes the illustrations easy to focus on, while the thick board pages are sturdy enough to last through read after read.
